Once Bonds are issued, there will be no further escalation.

"Taxable Property" means all Assessor's Parcels which are not Exempt Property.

"Undeveloped Property" means all Assessor's Parcels of Taxable Property which are not Developed Property.

"Unit" means each separate residential dwelling unit which comprises an independent facility capable of conveyance separate from adjacent residential dwelling units.

"Yield On The Bonds" means the arbitrage yield for the last series of Bonds issued.

"Zone" means the areas identified as a Zone in Exhibit A to this Rate and Method of Apportionment.

"Zone A" means all property located within the area identified as Zone A of CFD No. 3 in Exhibit A, subject to interpretation by the Board as described in Section B.

"Zone B" means all property located within the area identified as Zone B of CFD No. 3 in Exhibit A, subject to interpretation by the Board as described in Section B.

Section B: Classification of Assessor's Parcels

For each Fiscal Year, commencing with Fiscal Year 2007/2008, each Assessor's Parcel within CFD No. 3 shall be assigned to a Zone in accordance with Exhibit A at the reasonable discretion of the Board. In addition, each Assessor's Parcel within a Zone shall be classified as Taxable Property or Exempt Property. Furthermore, each Assessor's Parcel of Taxable Property shall be classified as Developed Property or Undeveloped Property. Each Assessor's Parcel of Developed Property shall be assigned to a Special Tax class based on the Building Square Footage of the Unit as listed on the Building Permit issued for that Unit.

Section C: One-Time Special Taxes

At the time a Certificate of Compliance is requested for a Unit, the School District shall debit from the Bond Proceeds Amount the applicable Mitigation Payment as further described in the Finance Agreement. If there are insufficient credits available from the Bond Proceeds Amount, a One-Time Special Tax will be charged in the amount of the deficiency to fund the applicable Mitigation Payment.

Section D: Maximum Special Taxes

1. Developed Property

The Maximum Special Tax for each Assessor's Parcel classified as Developed Property in a given Zone for any Fiscal Year shall be the amount determined by the greater of (i) the application of the Assigned Annual Special Tax for the applicable Zone or (ii) the application of the Backup Annual Special Tax for the applicable Final Subdivision Map for such Zone.

2. Undeveloped Property

The Maximum Special Tax for each Assessor's Parcel classified as Undeveloped Property in a given Zone for any Fiscal Year shall be the amount determined by the application of the Assigned Annual Special Tax for the applicable Zone.

Section E: Assigned Annual Special Taxes

1. Developed Property

The Assigned Annual Special Tax for each Assessor's Parcel of Developed Property in any Zone shall be the amount determined by reference to Tables 1 and 2 according to the Building Square Footage of the Unit.

Section F: Backup Annual Special Taxes

Each Fiscal Year, each Assessor's Parcel of Developed Property within a given Zone shall be subject to a Backup Annual Special Tax. The Backup Annual Special Tax for Developed Property within a Final Subdivision Map shall be the rate per Lot per Zone calculated according to the following formula in Fiscal Year 2007/2008 or such later Fiscal Year in which such Final Subdivision Map is created:

$$B = \frac{U \times A}{L}$$

The terms above have the following meanings:

- B = Backup Annual Special Tax per Lot in each Fiscal Year
- U = Assigned Annual Special Tax per acre of Acreage for Undeveloped Property in the applicable Zone in the Fiscal Year the calculation is performed
- A = Acreage of Taxable Property in such Final Subdivision Map after subtracting the Exempt Property as determined by the Board in Section L
- L = Lots in the Final Subdivision Map

Notwithstanding the foregoing, if all or any portion of the Final Subdivision Map(s) described in the preceding paragraph is subsequently changed or modified, then the Backup Annual Special Tax for each Assessor's Parcel of Developed Property in such Final Subdivision Map area that is changed or modified shall be a rate per square foot of Acreage calculated as follows:

1. Determine the total Backup Annual Special Taxes anticipated to apply to the changed or modified Final Subdivision Map area prior to the change or modification.
2. The result of paragraph 1 above shall be divided by the Acreage of Taxable Property which is ultimately expected to exist in such changed or modified Final Subdivision Map area, as reasonably determined by the Board.
3. The result of paragraph 2 above shall be divided by 43,560. The result is the Backup Annual Special Tax per square foot of Acreage which shall be applicable to Assessor's Parcels of Developed Property in such changed or modified Final Subdivision Map area for all remaining Fiscal Years in which the Special Tax may be levied. The Backup Annual Special Tax for an Assessor's Parcel of Developed Property in a Final Subdivision Map that is not changed or modified shall not be recalculated.

Section G: Excess Assigned Annual Special Tax From Developed Property

In any Fiscal Year, when proceeds of Assigned Annual Special Tax for Developed Property are greater than the Minimum Annual Special Tax Requirement, then such amount shall be paid to the School District. The proceeds shall be used for acquisition, construction or financing school facilities in accordance with the Act and other applicable law as determined by the School District.

Section H: Method of Apportionment of the Annual Special Tax

Commencing Fiscal Year 2007/2008 and for each subsequent Fiscal Year, the Board shall levy Annual Special Taxes as follows:

- Step One: The Board shall levy an Annual Special Tax on each Assessor's Parcel of Developed Property in an amount equal to the Assigned Annual Special Tax applicable to each such Assessor's Parcel.
- Step Two: If the sum of the amounts levied in step one is insufficient to satisfy 110% of the Minimum Annual Special Tax Requirement, then the Board shall Proportionately levy an Annual Special Tax on each Assessor's Parcel of Undeveloped Property, up to the Maximum Special Tax applicable to each such Assessor's Parcel, to satisfy 110 % of the Minimum Annual Special Tax Requirement.
- Step Three: If the sum of the amounts levied in steps one and two is insufficient to satisfy the Minimum Annual Special Tax Requirement, then the Board shall Proportionately levy an Annual Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is derived by application of the Backup Annual Special Tax, up to the Maximum Special Tax applicable to each such Assessor's Parcel, to satisfy the Minimum Annual Special Tax Requirement.

Section I: Prepayment of Annual Special Taxes

The Annual Special Tax obligation of an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a Building Permit has been issued may be prepaid. An owner of an Assessor's Parcel intending to prepay the Annual Special Tax obligation shall provide CFD No. 3 with written notice of intent to prepay. Within thirty (30) days of receipt of such written notice, the Board shall reasonably determine the Prepayment Amount of such Assessor's Parcel and shall notify such owner of such Prepayment Amount. In addition, any property owner prepaying his or her Annual Special Tax obligation must also pay all delinquent Special Taxes, interest and penalties owing on the Assessor's Parcel on which payment is being made, if any. The Prepayment Amount shall be calculated according to the following formula:

$$P = PVT - RFC + PAF$$

The terms above have the following meanings:

P	=	Prepayment Amount
PVT	=	Present Value of Taxes
RFC	=	Reserve Fund Credit
PAF	=	Prepayment Administrative Fees

Notwithstanding the foregoing, no prepayment will be allowed unless the amount of Annual Special Taxes that may be levied on Taxable Property, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year and such prepayment will not impair the security of all currently outstanding Bonds, as reasonably determined by the Board. Such determination shall include identifying all Assessor's Parcels that are expected to become Exempt Property.

Section J: Partial Prepayment of Annual Special Taxes

The Annual Special Tax obligation of an Assessor's Parcel may be partially prepaid at the times and under the conditions set forth in this section, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel at the time the Annual Special Tax obligation would be prepaid.

1. Partial Prepayment Times and Conditions

Prior to the issuance of the first Building Permit for the construction of a production Unit on a Lot within a Final Subdivision Map area, the owner of no less than all the Taxable Property within such Final Subdivision Map area may elect in writing to the Board to prepay a portion of the Annual Special Tax obligations for all the Assessor's Parcels within such Final Subdivision Map area, as calculated in Section J.2. below. The partial prepayment of each Annual Special Tax obligation shall be collected prior to the issuance of the first Building Permit with respect to each Assessor's Parcel.

2. Partial Prepayment Amount

The Partial Prepayment Amount shall be calculated according to the following formula:

$$PP = P_1 \times F$$

The terms above have the following meanings:

PP	=	the Partial Prepayment Amount
P ₁	=	the Prepayment Amount calculated according to Section I
F	=	the percent by which the owner of the Assessor's Parcel is partially prepaying the Annual Special Tax obligation

3. Partial Prepayment Procedures and Limitations

With respect to any Assessor's Parcel that is partially prepaid, the Board shall indicate in the records of CFD No. 3 that there has been a partial prepayment of the Annual Special Tax obligation and shall cause a suitable notice to be recorded in compliance with the Act to indicate the partial prepayment of the Annual Special Tax obligation and the partial release of the Annual Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay such prepaid portion of the Annual Special Tax shall cease. Additionally, the notice shall indicate that the Assigned Annual Special Tax and the Backup Annual Special Tax for the Assessor's Parcels have been reduced by an amount equal to the percentage which was partially prepaid.

Notwithstanding the foregoing, no partial prepayment will be allowed unless the amount of Annual Special Taxes that may be levied on Taxable Property after such partial prepayment, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year.

Section K: Termination of Special Tax

Annual Special Taxes shall be levied for a period of thirty-three (33) Fiscal Years after Bonds have been issued, provided that Annual Special Taxes shall not be levied after Fiscal Year 2050-51.

Section L: Exemptions

The Board shall classify as Exempt Property (i) Assessor's Parcels owned by the State of California, Federal or other local governments, (ii) Assessor's Parcels which are used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iii) Assessor's Parcels used exclusively by a homeowners' association, (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, (v) Assessor's Parcels developed or expected to be developed exclusively for non-residential use, including any use directly servicing any non-residential property, such as parking, as reasonably determined by the Board, and (vi) any other Assessor's Parcels at the reasonable discretion of the Board, provided that no such classification would reduce the sum of all Taxable Property in a given Zone and Planning Area to less than the Minimum Net Taxable Acreage as shown in Tables 5 and 6. Notwithstanding the above, the Board shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the sum of all Taxable Property in a given Zone and Planning Area to less than the Minimum Net Taxable Acreage as shown in Tables 5 and 6. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property in a given Zone and Planning Area to less than the Minimum Net Taxable Acreage as shown in Tables 5 and 6, will continue to be classified as Developed Property or Undeveloped Property, as applicable, and will continue to be subject to Special Taxes accordingly.

Section M: Claims

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the Board not later than ninety (90) days after having paid the first installment of the Special Tax that is disputed. In order to be considered sufficient, any claim must: (i) specifically identify the property by address and Assessor's Parcel Number; (ii) state the amount in dispute and whether it is the whole amount or only a portion of the Special Tax; (iii) state all grounds on which the property owner is disputing the amount or application of the Special Tax, including a reasonably detailed explanation as to why the amount or application of such Special Tax is incorrect; (iv) include all documentation, if any, in support of the claim; and (v) be verified under penalty of perjury by the person who paid the Special Tax or his or her guardian, executor or administrator. A representative(s) of CFD No. 3 ("Representative") shall promptly review the claim, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the claim. The decisions of the Representative(s) shall be final and binding. If the Representative's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Annual Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s) as the Representative's decisions shall indicate.

Section N: Manner of Collection

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that CFD No. 3 may collect Annual Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, including the ability to direct bill the properties in CFD No. 3.
